

Disclaimer

Acceptance

The content within this website is provided by ATMOL Inc. ATMOL Europe is ATMOL Inc.'s European affiliate and responsible for operating and maintaining the website at www.j-chart.at. By using this site and/or downloading information and/or the software from this site you agree on and accept the terms as listed below.

Informational Purposes and no Financial or Investment Advice

ATMOL Inc. makes the data and information within this website available solely for informational and educational purposes. All material presented within this site does not under any circumstances constitute securities-related or financial advice nor does it provide specific investment advice. In some cases either opinions are expressed or specific financial products (or indices) are mentioned; they solely serve as examples and illustration but do not constitute any recommendation, advice or suggestion concerning any engagement in the financial markets. Any decision based on the data and information presented within this website is absolutely made at your own responsibility and risk.

ATMOL Inc. grants you with the non-exclusive right to access, use and display this website and the data and information hereon. Furthermore, ATMOL Inc. authorizes you to download the information and software within this website only for your personal or your company's use. This authorization is not a transfer of title in the information and/or software. Please read our License Agreement and Terms and Conditions for further details concerning the use of the software and J-Chart service.

Risks Engaging in Financial Markets and Hypothetical Performance Results

Every capital investment and therefore also (electronic) trading is tied to high risk and can lead to a total loss of capital or even to additional payments. You should therefore carefully consider whether such trading is suitable for you in light of your financial situation. You may sustain a total loss of the initial (margin) funds and any additional funds that you deposit with your broker to establish or maintain a position in the financial markets. Prices can rise as well as fall. The past performance of any trading system or analysis methodology is not necessarily indicative for future results. Therefore, ATMOL Inc. and/or any of its representatives cannot guarantee profits or freedom from loss. You are solely responsible for making your own investment decisions and you assume the entire cost and risk of any trading you choose to undertake. We recommend you to visit the Commodity Futures Trading Commission website at the following address before engaging in financial markets: <http://www.cftc.gov/cftc/cftcbeforetrade.htm>.

Hypothetical or simulated performance results have certain limitations. Unlike an actual performance record, simulated results do not represent actual trading. Also, since trades may or may not have been actually executed, the results may have under or over-compensated for the impact, if any of certain market factors, such as lack of liquidity. Simulated trading programs in general are also subject to the fact that they are designed with the benefit of hindsight. No representation can, will or is being made that any trading account will, or is likely to, achieve profits or losses similar to those shown in any hypothetical performance record and/or educational example. You may have done better or worse than the results portrayed. Please read the CFTC required disclaimer regarding hypothetical results below (4.41).

HYPOTHETICAL OR SIMULATED PERFORMANCE RESULTS HAVE MANY INHERENT LIMITATIONS, SOME OF WHICH ARE DESCRIBED BELOW. NO REPRESENTATION IS BEING MADE THAT ANY TRADING ACCOUNT WILL OR IS LIKELY TO ACHIEVE PROFITS OR LOSSES SIMILAR TO THOSE SHOWN WITHIN THIS WEBSITE, TEXTS AND EDUCATIONAL EXAMPLES; IN FACT, THERE ARE FREQUENTLY SHARP

DIFFERENCES BETWEEN HYPOTHETICAL PERFORMANCE RESULTS AND THE ACTUAL RESULTS SUBSEQUENTLY ACHIEVED BY ANY PARTICULAR TRADING PROGRAM. ONE OF THE LIMITATIONS OF HYPOTHETICAL PERFORMANCE RESULTS IS THAT THEY ARE GENERALLY PREPARED WITH THE BENEFIT OF HINDSIGHT. IN ADDITION, HYPOTHETICAL TRADING DOES NOT INVOLVE FINANCIAL RISK, AND NO HYPOTHETICAL TRADING RECORD CAN COMPLETELY ACCOUNT FOR THE IMPACT OF FINANCIAL RISK OF ACTUAL TRADING. FOR EXAMPLE, THE ABILITY TO WITHSTAND LOSSES OR TO ADHERE TO A PARTICULAR TRADING PROGRAM IN SPITE OF TRADING LOSSES ARE MATERIAL POINTS WHICH CAN ALSO ADVERSELY AFFECT ACTUAL TRADING RESULTS. THERE ARE NUMEROUS OTHER FACTORS RELATED TO THE MARKETS IN GENERAL OR TO THE IMPLEMENTATION OF ANY SPECIFIC TRADING PROGRAM WHICH CANNOT BE FULLY ACCOUNTED FOR IN THE PREPARATION OF HYPOTHETICAL PERFORMANCE RESULTS AND ALL OF WHICH CAN ADVERSELY AFFECT ACTUAL TRADING RESULTS.

Performance tables and results within this website are hypothetical in nature and do not represent trading in actual accounts. Our (online) material, (online) courses, products and services should be considered as educational material only. If you decide to invest real money, all trading decisions are absolutely made at your own responsibility and risk.

Warranty and Liability

Every effort has been made to ensure that the data and information posted within this website is accurate and complete. However, the data and information may contain inaccuracies and/or typing errors. Therefore, ATMOL Inc. and/or any of its representatives cannot guarantee as to its complete accuracy, correctness or completeness. ATMOL Inc. and/or any of its representatives shall not be liable for any losses or damages caused by the reliance on the published data and information within this website. ATMOL Inc. and/or any of its representatives reserve the right, in its/their sole discretion, to correct any errors or omissions.

This website and the material and software it contains, are provided "as is" without any representation or warranty, expressed or implied, of any kind, including, but not limited to, any warranties of merchantability, non-infringement, lack of viruses, correspondence to description or fitness for any particular purpose. Under no circumstances shall ATMOL Inc. and/or any of its representatives be liable for any direct, indirect, special, consequential or other damages (including, but not limited to, any loss of profits, business interruption, loss of information or programs or other data) that are related to the use of, or the inability to use, the content, information, software, and functions of the website or any linked website, even if ATMOL Inc. and/or any of its representatives has/have been expressly advised of the possibility of such damages.

Copyright

This website and the data, information and software it contains are protected by worldwide intellectual property and copyright laws. You agree to comply with all such laws worldwide in your use of this website and/or the software and to prevent any unauthorized copying of the information and software. Except as expressly provided herein, ATMOL Inc. does not grant any expressed or implied right to you under any patents, trademarks, copyrights or trade secret information.

External Links

ATMOL Inc. and/or any of its representatives may provide links to websites operated and controlled by other entities. If you decide to visit any linked site, you do so at your own risk, and it is your responsibility to take all protective measures to guard against viruses or other destructive elements. ATMOL Inc. and/or any of its representatives make/s no warranty or

representation regarding any linked websites or the information appearing thereon or any of the products or services portrayed thereon. The fact that ATMOL Inc. and/or any of its representatives has/have linked to these sites does not constitute an endorsement or recommendation of any kind. The links to these sites are being provided only as a convenience to you.

3rd Party Services

ATMOL Inc. and/or any of its representatives has/have no financial relationship with any third party brokers and/or data vendors and make/s no guarantee, implied or otherwise as to the services provided to investors by third party entities or through their respective websites. As such, use of these third party services is at the investors own risk and ATMOL Inc. and/or any of its representatives cannot be held responsible for any shortcomings, errors in charging or billing, misrepresentations, or any other wrongdoing on the part of the owner of said third party brokers and/or data vendors. ATMOL Inc. and its representatives recommend investors to review the companies' policies regarding privacy, billing, errors and omissions, etc. before investing.

Privacy Policy

We process and use your personal data only for our provided service. With the input of your personal data you permit the storage of the data and the usage of it for processes associated with J-Chart. We will not transfer or sell your data to third parties. Please read our Privacy Policy for further details.

Changes and Amendments

ATMOL Inc. and/or any of its representatives reserves the right, at its/their sole discretion, to implement changes, modifications to the website, Disclaimer, Privacy Policy, Terms and Conditions and License Agreement, in whole or in part, or to restrict your access to parts or all of the website at any time. Your continued use of the site will be considered as an acceptance of those changes. ATMOL Inc. and/or any of its representatives may at any time without prior notice terminate the authorization, rights and license given above and may make any changes to this website and/or the information, the software and/or the products, services or prices portrayed within this website.
